SERVICES – INDIGENOUS FOCUSED

Native Women's Shelter

(514) 933-4688

www.nwsm.info

Support and frontline services to Indigenous women and their children to promote their empowerment and independence. The clientele is self-referred or referred by community resources (no walk-ins). The Iskweu Project is an initiative by the NWSM to respond and assist families in cases where an Indigenous woman or girl goes missing. There is a zero tolerance policy for drugs and alcohol at the shelter.

Project Autochtones du Québec

(514) 879-3310

www.paqc.org/en/home

PAQ is an Indigenous organization that accompanies First Nations, Inuit and Métis peoples facing housing insecurity. Using a culturally adapted approach based on empowerment and harm reduction, we offer emergency shelter services, transitional housing, permanent housing, and services that promote healing, well-being and community. We work in partnership to advocate for the health and housing rights of urban Indigenous Peoples. Programming offered Community Health program and Safe Start for newly arrived Indigenous peoples. Onsite intervention workers and caseworkers are available. Workshops offered.
